

Product Update

We are writing to inform you that Mercer Investments (Australia) Limited has issued new Product Disclosure Statements ('PDSs') and an updated Additional Information Booklet ('Booklet') dated 1 June 2023 for the Mercer Funds ('the Funds').

A full list of the Funds covered by this update is listed at the bottom of this communication.

The PDSs and Booklet can be accessed via the following links (select the 'Documents' tab):

Single Sector Funds

Diversified Funds

Please take the time to read the key changes outlined below for the Funds, or Classes thereof, in which you are invested.

Sustainable Investment and Environmental, Social and Governance (ESG) updates

The PDSs and Booklet include updated information on our sustainable investment approach, including how we apply exclusions.

We have also decided to no longer pursue Responsible Investment Association Australasia (RIAA) certification for the:

Mercer Sustainable Plus Australian Shares Fund.

Mercer Sustainable Plus International Shares Fund – Hedged and Unhedged Units.

Changes to buy and sell spreads

The following Funds have revised buy and sell spreads due to changes in the spread costs as advised to us by the underlying investment managers. The buy and sell spreads may vary from time to time and we may waive or reduce them at our discretion. Buy-sell spreads are not retained by us but rather paid to the Fund to reduce the risk that other unit holders are disadvantaged by the trading activity arising from applications or redemptions. We do not generate revenue through the application of a buy or sell spread.
