Advance Investment Funds – Retail Units

A summary of the significant changes that have occurred since the Funds were closed to new investors are detailed in the table below. For a copy of any of the updates, please contact the Mercer Investor Contact Centre on 1300 728 928.

Year	Update
2013	<ul style="list-style-type: none"> The Advance Retail Funds were closed to all new investors from 30 June 2013.
2016	<ul style="list-style-type: none"> An annual Strategic Asset Allocation (SAA) review was completed and an update to the strategic targets and ranges of the Advance Retail Diversified Funds was made, effective 1 July 2016. A reclassification of the underlying Alternative Strategies as a defensive asset class was made to better illustrate the predominantly defensive properties of the asset class. Commodities were reclassified as a single asset class, with its own SAA range and targets.
2018	<ul style="list-style-type: none"> An annual SAA review was completed and an update to the strategic targets and ranges of the Advance Diversified Funds – Retail Units was made, effective 1 July 2018. New sub-asset classes of Unlisted Infrastructure, Unlisted Property and Private Debt were established with a list of underlying investments added following the establishment of the new asset class.
2020	<ul style="list-style-type: none"> Under the Future of Financial Advice (FOFA) reforms, a reprice of the Advance Investment Funds - Retail Units was undertaken. Investors received a reduction of 0.55% p.a. to their management fees from 1 December 2020.
2021	<ul style="list-style-type: none"> An annual SAA review and update to the strategic targets and ranges of the Advance Diversified Funds - Retail Units was made, effective 1 July 2021. A reclassification of Private Debt from Alternatives to International Fixed Interest to better reflect the characteristics of the sub-sector allocation was undertaken.
2022	<ul style="list-style-type: none"> No changes were made to SAA targets or ranges of the Advance Diversified Funds- Retail Units. However, a new Multi-Asset Investment Strategy was created as a sub-asset class allocation within the Diversified Funds Alternatives asset strategy.
2023	<ul style="list-style-type: none"> The sale of Advance Asset Management Limited (AAML) to Mercer (Australia) Pty Limited (Mercer Australia) was completed on 31 March 2023. As part of the sale, a suite of changes were undertaken including, but not limited to⁵: <ul style="list-style-type: none"> Creation of a new Bank Account with new accompanying transaction forms. Appointment of a new custodian (The Northern Trust Company) for the Funds. Change to daily transaction cut-off times, including the removal of accepting transaction requests via fax. Change to how additional investments are made by using Electronic Funds Transfer (EFT) and removing the use of cheques, BPAY® and direct debit. Removal of the Regular Savings and Regular Withdrawal plans.

⁵ A Significant Event Notice dated 3 April 2023 was provided to investors with comprehensive details of the changes.

Year	Update
	<ul style="list-style-type: none"> From 1 July 2023, certain expenses incurred in relation to the proper performance of duties in respect of each Fund will be paid out of or reimbursed from each Fund. That is, expenses will be charged in addition to the Management Fee of the Fund and will be included as Indirect Costs. A Management Fee Reduction of 0.10% was made effective 1 October 2023 for the Advance Funds – Retail Units. A change to how underlying investment manager fees for Private Debt exposures are reflected resulted in a small future increase to Indirect Costs. Correspondingly, a Management Fee Reduction of 0.04% was made (effective 1 December 2023) to the Advance Diversified Funds – Retail Units.
2024	<p>Changes effective 1 July</p> <ul style="list-style-type: none"> Retirement of Advance Asset Management Limited (AAML) and appointment of Mercer Investments (Australia) Limited (MIAL) as Responsible Entity (RE) of the Funds, effective 1 July 2024. Update to the bank account details to reflect the change in RE, including a change to the transaction forms. An amendment to the definition of ‘Business Day’ was made to be ‘Any day other than a Saturday, Sunday or national public holiday’. Adding a cash range of up to 10% with a strategic allocation of 0% for the Advance Single Sector Funds. There was no change to the investment objectives or strategies of the Funds. SAA targets and ranges were updated to reflect new asset class categories for the Funds. The new asset class categories are⁶: <ul style="list-style-type: none"> — Australian Shares — International Shares — Real Assets — Alternatives — Growth Fixed Interest — Defensive Fixed Interest and Cash. <p>The definitions of growth and defensive investments were also updated. ¹ The amounts in the table above are inclusive of GST (where applicable), stamp duty and any reduced input tax credit entitlements. There is a risk that these fees and costs may increase from time to time, which may affect the value of your investment. Where required by law, you will be provided with prior written notice of any such fee increases.

² The Management Fees and Costs are the fees and costs for managing your investments. The Management Fee accrues daily and is reflected in the Fund's daily unit price and is paid monthly in arrears from the assets of the Fund.

³ The estimated Indirect costs are reflected in the daily unit price of the Fund and are generally deducted from the assets of the Fund when they are incurred. The estimated Indirect Costs and Transaction Costs are based on those costs paid for the 12 months to 30 June 2025 and/or reasonable estimates for that period. Performance Fees are calculated based on the average of the previous five financial years of complete data, where applicable. The actual costs payable each year will vary based on the actual costs incurred as a portion of the total Fund's assets.
