Important update

Distribution payments, tax statements and transaction processing timetable for 30 June 2025

This update is to inform you of the timetable for distribution payments, tax statements and financial year end transaction processing delays for the:

- Advance Investment Funds
- Mercer Funds
- Wholesale Mercer Funds
- Mercer Indexed Funds
- Mercer Multi-manager Funds
- Managed Portfolio Series Funds.

These are collectively referred to as 'the Funds'. A detailed list of the Funds covered by this update is included in the table commencing on page 3.

Transaction processing delays from 1 July 2025

From 1 July each year, we delay the calculation of daily unit prices for up to 20 business days to finalise the distributions and tax calculations for each Fund for the previous financial year. Daily unit pricing will recommence once the distribution for a Fund has been finalised and (if relevant) paid.

During this period, we will continue to accept application and withdrawal instructions each business day. However, any instructions received will only be processed once we recommence daily unit pricing for the relevant Fund. For example, if an application instruction is received Monday 7 July prior to 3pm, it will be processed at a later date (up to Wednesday 23 July, depending on the Fund) using the unit price calculated for Monday 7 July.

The delay in the calculation of unit prices will impact the payment of withdrawal instructions received during this period. If you are planning to make a withdrawal, you should note that a correctly completed Withdrawal Form would need to be received by us **before 3pm Monday 30 June to avoid delays**. Forms are available on our website at mercer.com.au/mercerfunds or call us on **1300 728 928** to request a copy. If you invest into one or more of the Funds via an investment service or platform, please refer to their website for financial year end transaction cut-off times.

For more information on the estimated dates for the processing of distributions, recommencement of daily unit pricing and transaction processing for the Funds, please refer below.

Financial year end timetable for 30 June 2025
