

Active Balanced Portfolio

Portfolio Profile

This information has been prepared for use by Advisers only

Mercer CoreSeries Active offers six portfolios intended to meet the needs of a range of investors with medium to high risk profiles. Each portfolio is actively managed and diversified, and may invest in asset classes such as equities, property, infrastructure, cash and fixed interest.

What type of investor could this portfolio suit?

Mercer CoreSeries Active Balanced Portfolio could be suitable for an investor with a minimum five year investment horizon with a medium to high capacity tolerance for risk, and who is looking to grow their wealth over the long-term and willing to ride out short-term market fluctuations.

Mercer CoreSeries Active Balanced Portfolio - Portfolio overview

Investment Objective	To provide moderate to high total returns over the medium term from a combination of capital growth and income through a diversified mix of growth and defensive assets. The portfolio aims to earn a rate of return that exceeds the Consumer Price Index by at least 3.5% pa over a rolling 5 year period (net of fees and costs).
Investment Strategy	The portfolio invests in a diverse mix of assets with both growth asset classes such as equities, property and infrastructure of around 70%, and defensive asset classes such as cash and fixed interest securities of around 30%.
Benchmark	CPI + 3.5%
Estimated number of negative returns over any 20 year period	4.4
